Welcome to this delightful semi-detached townhouse in the secure and sought-after community of Dona Pepa, Ciudad Quesada, Rojales. The property features a private garden that leads to a covered terrace, ideal for soaking up the Spanish sunshine while overlooking the communal gardens and two expansive pools. Inside, you'll find a spacious living/dining area that comfortably accommodates two sofas and a dining table for six. The fully fitted kitchen, equipped with an electric oven and hob, opens to a back garden and patio, which includes a substantial brick-built storage unit—perfect for garden essentials. A convenient small bathroom with a shower, sink, and toilet is located off the living room. The townhouse comprises three well-sized bedrooms. The third bedroom, a generous twin, is situated off the living room and could also serve as a dining room if needed. Upstairs, there are two double bedrooms with fitted wardrobes and private balconies. The master bedroom offers stunning views of the communal pool and gardens. The upstairs bathroom is spacious, featuring a large walk-in shower. With its semi-detached design, the property benefits
