Cortijo Maroma is a very unique, one-off, country complex located below the Moorish Castillo de Salia looking across Alcaucin valley and up to Mount Maroma and its beautiful National Park. This property has many registered outbuildings including: a self-contained one bed casita, two detached ensuite bedrooms for B&B, a fully equipped outdoor kitchen and pool bar, changing rooms, an office, a workshop and many detailed features which complete this property's charm and character. Condition is impeccable throughout and the main building is like new as every aspect has been renovated over the last 8 years from floor to ceiling, windows to doors, bathrooms to kitchen. This two bedroom property includes: one large master bedroom with ensuite plus a second bedroom, shower room, fully equipped kitchen, lounge with feature free standing wood burner plus a light dining room and reading area. The L - shaped covered terrace is over 85m<sup>2</sup> with hand carved pillars made in Alhama. The extensive paths and gardens connect each building in a natural and practical way plus outdoor features such as the waterfall and pond, the boules pitch, the lawn, the heated pool with
