Finca Los Almendros is a stunning villa on an extensive 33,000sqm plot with views to the stunning countryside, approximately 7 minutes' drive from Riogordo. The land is full of fruit trees including Olive and Almond and has an abundance of well - established plants and raised flower borders. The main property is a 524sqm build with downstairs apartment and 2 further self -contained apartments within the grounds. The pool has a state of the art fully automatic / solar pool cover and is located on the lower terrace where there is ample space for sunbathing and entertaining. The main house consists of an Andalusian internal courtyard with an open plan living/dining and kitchen area. Very tastefully decorated, the lounge has a feature fireplace with log burner, A/C and ceiling fans with a vaulted, beamed ceiling. The Finca benefits from under floor heating throughout. The kitchen is a mix of modern and rustic with a Range cooker and American fridge freezer and has ample storage. On the same level there are 2 double bedrooms, each having its own bathroom; one with full length bath, the other has a large walk -in shower. The Master bedroom benefits from direct
